

Aile Gallery

GALLERY AILE is the exhibition space opened in 2012. AILE is a contemporary fine art gallery and exhibition space located in the center of the art, fashion, and fiancé district of Gangnam. It helps to promote Korean artists both domestically and internationally.

Currently, GALLERY AILE is dedicated in promoting 5 exclusive artists and 20 active artists. We also try to connect original art to emerging collectors and cater to special events in support of fine art. For instance, a variety of group exhibition, private guest exhibitions, art fairs, including shows for exclusive artists showcase in once a year as well.

We aim at providing more corporation opportunities for both gallery and up and coming artists and invited them for providing a platform to communicate with audience. GALLERY AILE is going to present various artistic contents and educational programs as well as exhibitions in the future. We hope to foster social awareness and help those in need through the medium of art.
